

Code of Conduct

July 13, 2020

As a member of the BLUE CHIP ATHLETES, I understand that I am representing the organization whether it be at practice, games, road trips or as a spectator. I must maintain proper decorum and not engage in conduct detrimental to the BLUE CHIP ATHLETES or myself

1. The use of alcohol and/or illegal substances are strictly forbidden, and the use of such shall be grounds for a member to be immediately suspended for further review or dismissed from the organization.
2. Members are to arrive at practice/games on a timely basis and act in accordance with proper team behavior.
3. Members should understand that the purposes of the road trips are to enhance their improvement. Thus, your conduct on the road especially at the hotel should be exemplary. Proper rest is necessary to perform at optimal levels and thus members should be mature enough to be in their rooms at an appropriate time and not engage in any behavior, detrimental to the organization (i.e. loud noise, running in the halls).
4. Both, members and their parents should be supportive of all teammates in the organization whether they are on your team or not. Negative comments about players or coaches in the organization will not be tolerated.
5. Both, members and their parents should maintain proper decorum during games. Behavior such as berating of referees, criticizing of either our or opponent's players or any loud or abusive behavior will not be tolerated.
